

between 1910 to 1917 and 1983 to 2002. The data or links to the data used to compile this summary is provided in Exhibits 7 and 8.

4. Attached hereto as Exhibit 2 is a summary of flow data for `Īao Stream compiled from true and correct copies of USGS reports published between 1910 to 1915 and 1983 to 2002. The data or links to the data used to compile this summary is provided in Exhibits 7 and 9.

5. Attached hereto as Exhibit 3 is a summary of flow data for North Waiehu Stream compiled from true and correct copies of USGS reports published between 1910 and 1915. The data used to compile this summary is attached as Exhibits 7 and 10.

6. Attached hereto as Exhibit 4 is a summary of flow data for South Waiehu Stream compiled from true and correct copies of USGS reports published between 1910 and 1917. The data used to compile this summary is attached as Exhibits 7 and 11.

7. Attached hereto as Exhibit 5 is a summary of flow data for Waikapū Stream compiled from true and correct copies of USGS reports published between 1910 to 1917 and 1963 to 1997. The data used to compile this summary is attached as Exhibits 7 and 12.

8. Attached hereto as Exhibit 6 are excerpts from a true and correct copy of the USGS Water-Resources Investigations Report 95-4212, Evaluation of the Surface-Water Quantity, Surface-Water Quality, and Rainfall Data-Collection Programs in Hawai`i (1994), by Rick Fontaine. These excerpts include the station numbers, periods of record, and a map regarding USGS gaging stations for Waihe`e, `Īao, North and South Waiehu, and Waikapū Streams and their tributaries.

9. Attached hereto as Exhibit 7 are excerpts from a true and correct copy of the USGS Summary of Records for the Surface-Water Resources of the Territory of Hawai`i, 1901-1938, which was published by the Territorial Planning Board in December 1939.

10. Attached hereto as Exhibit 8 are excerpts from true and correct copies of USGS stream flow data for Waihe`e Stream from 1909 to 1916 and 1983 to 2002. Some of this data, as well as additional National Water Information System ("NWIS") data, is available at <http://nwis.waterdata.usgs.gov/hi/nwis>.

11. Attached hereto as Exhibit 9 are excerpts from true and correct copies of USGS stream flow data for `Īao Stream from 1909 to 1911 and 1983 to 2002. Some of this data, as well as additional NWIS data, is available at <http://nwis.waterdata.usgs.gov/hi/nwis>.

12. Attached hereto as Exhibit 10 are excerpts from true and correct copies of USGS stream flow data for North Waiehu Stream from 1912 to 1915.

13. Attached hereto as Exhibit 11 are excerpts from true and correct copies of USGS stream flow data for South Waiehu Stream from 1909 to 1911. Some of this data, as well as additional NWIS data, is available at <http://nwis.waterdata.usgs.gov/hi/nwis>.

14. Attached hereto as Exhibit 12 are excerpts from true and correct copies of USGS stream flow data for Waikapū Stream from 1909 to 1915 and 1963 to 1997. Some of this data, as well as additional NWIS data, is available at <http://nwis.waterdata.usgs.gov/hi/nwis>.

15. Attached hereto as Exhibit 13 are excerpts from true and correct copies of miscellaneous USGS stream flow data from 1915 to 2000 for all of the relevant streams.

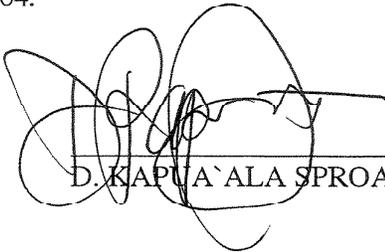

16. Attached hereto as Exhibit 14 are true and correct copies of Wailuku Agribusiness Co., Inc.'s reported water use for 1998 to 2003, which I obtained from the Commission on Water Resource Management ("Commission").

17. Attached hereto as Exhibit 15 is a list of instream and offstream water uses (compiled by stream and TMK number), which are known to me or my clients.

18. Attached hereto as Exhibit 16 are excerpts from a true and correct copy of this Commission's Declarations of Water Use (Volume II, Circular C-123), which was published in September 1992.

I, D. Kapua`ala Sproat, do declare under penalty of law that the foregoing is true and correct.

Dated: Honolulu, Hawai`i, June 25, 2004.

D. KAPUA`ALA SPROAT
